

Bouschor's Daughter on Tape Stealing Tribal Property:

Leading up to the 2004 Tribal election, defendants and their family members were captured on video surveillance tape stealing tribal property including computers and tribal artifacts. Jessica Bouschor, Bernard Bouschor's daughter is caught on tape stealing several items belonging to the Tribe including a chief's headdress owned by the Tribe's first Chairperson, Fred L. Hatch. Kristi Little reports that she allowed Terri Fitzpatrick, Bouschor's \$200,000 a year, Greektown girlfriend taking items from her office. Kristi Little has the evidence of these thefts but refuses to turn these over to federal law enforcement officials.
